Dear Subscriber:

Renewal orders for 1938 for publications of this Institute are now due. You may receive some of the journals because of your memberships in Founder Societies. In such cases you will receive bills for dues from the Society treasurers.

We have checked on the attached subscription renewal order all other subscriptions which expire in December.

Additional new subscriptions may be entered by checking the desired journal and including the payment for that journal with your renewal remittance.

Your cooperation in the prompt return of this form is requested. Checks and money orders should be made payable to the American Institute of Physics.

Very truly yours,

Madeline M. Mitchell
Publications Manager
