Prof. Dr. Harry M. Miller Jr.
Assistant Director for the Natural Sciences, The Rockefeller Foundation.

Dear Dr. Miller

It is a pleasure for me to be able to communicate to you that during the year 1941 I had the opportunity to know Dr. Simão Mathias, being one of the examiners in his Honor degree examination.

The good exit of his thesis and proof for Doctor degree induce me to believe that he gives sufficient guarantees for the success in his Rockefeller fellowship.

With best wishes

Yours sincerely
