Dear Dr. Wataghin:

Your letter of February 4 with the enclosed manuscript by Carlo Tagliacozzo, "New researches on buckling of arches," has been received in this office. As you requested, we are sending it to the Editor of the Journal of Applied Mechanics and as soon as we hear from him regarding their decision we shall let you know.

Please convey my kind regards to Dean Dreyfus. With appreciation for your kind cooperation in the work which this Committee is doing, I am

Sincerely yours,

Harlow Shapley
