Dear Miss Griffin,

Remembering the kindness you showed to me during my visit in U.S.A in 1945-46, I'm writing to you today asking if you could inquire whether the reviews I'm subscribing are being sent to me regularly during 1947. I have not received a single number until today! I sent to the American Institute \$23.40 on December 1946 through the Chemical Trust Bank in order to cover my dues as fellow of the American Physical Society and subscription for :

Physical Review

Review of Modern Physics

Review of Scientific Instruments

With many thanks

Sincerely yours
