Dear Dr. Wataghin:

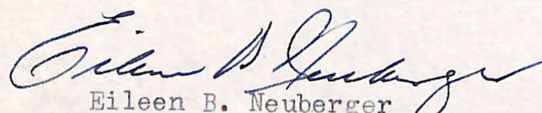

Thank you for your letter of April 15th.

Your remittance of \$23.40 was received and applied in accordance with your instructions. The offices of the American Physical Society are forwarding your copies of THE PHYSICAL REVIEW regularly. Your name has also been properly entered on the mailing list of the REVIEWS OF MODERN PHYSICS and the REVIEW OF SCIENTIFIC INSTRUMENTS. We believe that some delay in the mail service probably accounts for your non-receipt of the issues published so far this year and trust that they have reached you by now.

We have received a check in the amount of \$12.25 thru the Chemical Bank and Trust Company of New York for your account. Will you please let us know just how this remittance should be applied.

We will await your further instructions.

Sincerely,

Eileen B. Neuberger
Circulation Supervisor
