Dear Dr. Wataghin:

We have located your letter of March 31, informing us that you were sending a check for \$12.25 in answer to our letter of January 20.

Around the first of February we received in this department a check for that amount. So your check of March 31 is a duplicate payment. We are applying your second check as a credit.

On May 9 we billed you for 50 reprints of a letter to the editor by O. Sala and you which appeared in the September 1946 issue of THE PHYSICAL REVIEW. We are applying \$4.29 of your credit on this bill so please do not send us a check for that amount. There is a credit balance left of \$7.96 which we will apply toward your future reprint orders.

We trust that our action in this matter is satisfactory. Enclosed is a receipt bill for the amount of \$4.29.

Very truly yours,

*T. Vorburger*
