Prof. Richard H. Smith  
President of the I T A

São Paulo , July 1 , 1948.

Dear Professor Smith :

May I acknowledge and thank you for your letter of June 14, I transmitted to Prof. Pompeia the copy of your letter and the reprint concerning the C T A you send to him. Today Dr. Pompeia spoke to me about the questions raised in your letter.

He agrees completely with the terms of the contract you suggested and he is willing to accept your offer.

Regarding the figures and dates of the temporary contract with C O C T A Pompeia asks me to communicate to you the following:

1. the temporary contract could be made for the period from January 1<sup>th</sup> 1949 until Dez. 31, 1949 . Pompeia could be free from all his obligations with the Escola Politecnica beginning with Jan 1<sup>th</sup> 1949.

2. the temporary contract should be proposed on the basis of Cr. 10200 per month, corresponding to the salary of a full time professor of the University of S. Paulo. Presently Pompeia receives Cr. 7650 a month from the Escola Politecnica and Cr. 2550 as an industrial adviser. Of course we both think that it would be advisable to allow to Pompeia to dedicate all his time and energy to the fulfilling of his duty according to the temporary contract.

I hope to have the pleasure to see and to speak to you at the next visit of you in S. Paulo. Please transmit my kindest regards to your coworkers .

Sincerely yours

Gleb Wataghin
