Dear Professor Wataghin:

Your letter of June 30 was received on July 12 and forwarded to me on vacation. I am glad to know that your researches are going forward in spite of financial difficulties, and I will look forward, as always, to receiving a letter from Professor Souza Santos.

We have had no definite information concerning the financial crisis in the State of Sao Paulo and will be glad to receive the copy of the "Diario Oficial" of April 23, which contains Resolution No. 209. You indicate that the Rector of the University or the Director of your Faculty will also write in more specific reply to my inquiries of June 14. Communications from either or both of them will be very welcome.

Sincerely,

*Harry M. Miller, Jr.*
