Dear Professor de Moraes,

Thank you very much for your letter, indicating that the "Congregação" has approved my appointment. I have already received the letter from Professor de Paula.

I am now applying for a passport. Unfortunately, I do not believe that I will receive the passport ~~for~~ before Aug. 1. Therefore, it would perhaps be wisest to expect my arrival no earlier than Sept 15. I am looking forward to my work at São Paulo

Sincerely,
D. Bohm
