U.S.A.

Dear Dr. Miller:

I received a copy of the letter of May 31 addressed to the Reitor, signed by Mrs. Flora M. Rhind, reporting that the Executive Committee of the Rockefeller Foundation has extended the Foundation's appropriation nº RF 45061 to the Physics Department. I also received a copy of your letter of June 13 addressed to Sala.

I would like to take this opportunity to thank you and the Foundation, for myself and the others members of the Department, for making available this fund to us.

Very truly yours

Prof. Abrahão de Moraes
