

São Paulo, August 20th., 1951

Professor D. Bohm
Princeton University

Dear professor Bohm

According to your information that you could not arrive here before September, I have postponed the beginning of your contract as professor of Theoretical Physics at the University of São Paulo to next September.

I hope that you will be able to be here by that time because your presence here is very much necessary for the regularisation of our courses and studies.

Very sincerely yours

Abrahão de Moraes
Director of the Physics Department

Prof. Abrahão de Moraes
Departamento de Física
Fac. Fil. Ciênc. Let.
Universidade São Paulo
