Dear professor Einstein

I received your letter of August 5 regarding
Dr. D. Bohm.

I thank you very much for the informations
that you kindly gave me. It was a great pleasure
for me to know that your opinion about Dr. Bohm
confirms former informations I had about him.

With regard to his passport, I will do my best
to make things easier. But as the matter depends
also on the action of higher University authorities
or the State Government, it may take some time
before a letter is sent to the State Department.

I wrote to Dr. Bohm telling him that
if he thinks that a letter of mine to the
State ~~Department~~ Department is of any help
I shall be very glad in writting it.

Yours very ~~sincerely~~
sincerely
