

UNIVERSIDADE DE SÃO PAULO
FACULDADE DE FILOSOFIA, CIÊNCIAS E LETRAS

Departamento de Física

São Paulo, (Brasil).....de.....de 194.....

N.

(COPIA)

Miss Sonja Ashauer has followed my lectures in Genral and Experimental Physics during the years of 1940 and 1942. She has always distinguished herself in that period as one of the best students of the Faculty and has shown a remarkably good understanding of the Physical problems.

In the demonstration exercises she was encharged of. as a student, she has always shwon a thorough accurateness and understanding of the things she was doing.

Marcello Dany de Souza Santos
Diretor do Departamento de Física.
