To The Board of Research Studies of the British Council.

Certificate

I declare that Miss Sonja Ashauer applied in January 1943 for the degree of Ph. D. at this Faculty of Philosophy and worked with me as a "Candidate for the Ph.D. degree" from January 1943 until the end of September 1944 in researchwork on various problems of quantum-mechanics and specially on statistics of nuclei and elementary particles at extremely high temperatures.
