Gentlemen:

A recent analysis of your account reveals that there is a past due balance of \$ 20.00 unpaid.

Although we pay the publishers in advance for all subscriptions entered, we are glad to charge the account of institutions to insure prompt receipt of all periodicals during the period necessary to handle the details of making payment.

Our service in this connection is limited to sixty days, and we have already allowed an extension beyond this period. If we are to continue giving service on your subscriptions, it is essential that your payment be received at once.

Very truly yours,  
THE MAYFAIR AGENCY
