Dear Doctor Santos:

This is in reference to a question which has arisen concerning the contemplated order to the Graybar Electric Company.

The following quotation has been received from them:

2 - TSA-10 Time Relays (single time scale with clutch coil contacts internal, 115 v., AC 60 cps.) Advise time scale.
@ \$36.00 each

Will you kindly advise us concerning the time scale in question by return mail, so that order can be placed.

We trust that you have received a letter dated August 30th addressed to you by the Allis-Chalmers Company, a copy of which was sent to this office, and that you can accordingly clear the questions asked concerning the Betatron.

Sincerely yours,

Dr. M. D. de Souza Santos
