

S. Paulo , July 3 , 1946

Dear Rasetti ,

We all regret that you could not come this time  
I received your letters and we understand perfectly  
how difficult it would be for you to arrange everything  
chiefly because one letter of official invitation  
have not reached you. We hope very much that next  
year you will come and spend some month with us.

Sincerely

Gleb Wataghin
