Dear Kaddoura,

I assume you received my letter dated the 29th January 1985 in reply to your letter Reference SC/SER/84/2126, where I did accept your invitation to take part on the Consultative Committee on Niels Bohr Centenary Celebration.

I am willing to travel to Paris by the 15th of NOVEMBER and I would like to know what steps have been taken about my journey SÃO PAULO- PARIS + SÃO PAULO and about accommodation in Paris.

I would appreciate if you could send your reply to my home address.

Furthermore, I am glad to inform you that I will send you a copy of my article entitled: Reflexions on Bohr and Complementarity.

Yours,

Sincerely,

*Mario Schenberg*
