Dear Sir

I am very honoured to participate in the Symposium Marie Sklodowska Curie. My delay in answering your invitation was due to the difficulty of getting a leave of absence at the University of São Paulo. Now I have finally obtained it and also a round trip ticket to Warsaw paid by the Conselho Nacional de Pesquisas of Brazil.

I hope to be in Warsaw at the beginning of the Symposium, the 17 th of October.

Yours sincerely

Mario Schoenberg
