Dear Maria -

When you were here  
in London, I was, (which I  
think you saw) very ill.  
Some months later I got much  
worse - I was in fact ill when  
Maurice came - but it was  
so very lovely seeing her &  
being with her again. He  
rushed around with her books -  
I told her next time she  
comes to bring along a  
Jockey!! —

at last, <sup>in April</sup> my J<sup>r</sup> sent me

2: to a day Hospital - which  
has no "Sweet cup of Tea" -  
but I stuck it out -  
since April. I was last  
Friday, <sup>I was</sup> Chris changed as fit /  
must always take certain  
pills, for my now proved  
Epilepsy - (This I asked you  
not to tell Naumen).

I have never felt so fit -  
back to painting & well -  
which I had given up for  
9 months! - The head Dr  
or talking to me said - you  
are more of a "psychotherapist"  
(if that how you spell it?) than  
a patient now!! It seems  
people come to me. But I never

3. forget that I'm not a DJ - I  
am in fact a kind of "spiritual  
healer". I have always felt  
this, but now know it to be  
true. I am to continue  
going once a week to the  
"big meeting" & once a week  
to a most wonderful DJ  
just to talk - he is a  
Pensioner too - & he & I  
have a very <sup>good</sup> connection.

Now I will go on as  
always with my painting -  
but twice a week - well,  
if accepted become a  
"Good Samaritan" - you go  
twice a week to their head  
quarters - to answer 'phones or  
talk - you never go to their

4 homes as they go yours. So  
my life <sup>will be full,</sup> when I am finished  
with the Hospital which will  
be soon now.

I often think of you - &  
hope all is well in every way -  
I hold you as one of my  
very best friends & hope -  
if I can be of any use  
to you here in England -  
you will ask me.

I have good letters from  
Maura - & hope all is  
going well for her - help  
her when ever you can.

In my opinion you are the  
greatest man Brazil has.  
much love Sheila.
