PAOLO BARRILE - MESSAGGIO TERRA

20133 MILANO via Milani, 9-Tel. 29.36.18

Milan, December 1981/January 1982

Dears Sirs,

I send You a copy of "Il Secondo libro di Messaggio Terra" and the documentation about my actions ecological and provoking 1981. I should like to know them included in Your library.

If my work will interest You I should be pleased to realize a personal exhibition by Your seat or another place You will point me out.

Obviously I can't send You paintings, because of very high transport costs, but 12-15 photos, that then will be Yours. They are 30 x 40 cm., mounted on drawing sheets (50x70) with an English caption.\* They are the same You can find on the book, describing my actions in these last years (and the actions 1981 too).

I thank You very much for the attention to my work and, waiting for Your kind answer, I remain very faithfully  
Yours

Mon cher Paolo Barille,

J'ai reçu votre documentation avant et après l'évènement du mardi 26 mai 1981 devant la Castello Sforzesco de Milan.

Je pense que la portée de votre geste dépasse le caractère furtif de la manifestation et s'inscrit dans l'histoire de la prise de conscience planétaire de l'écologie.

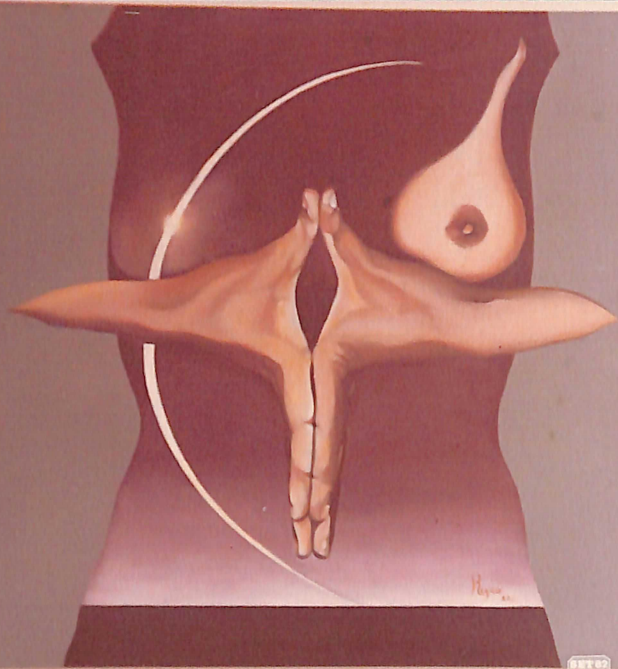

Bien amicalement à vous,

P. RESTANY
