Dear Mario,

It was an honor and pleasure to receive from your and my friends that special issue of Revista Brasileira De Fisica dedicated to you on your 70th birthday. Please let me join now, at this late date, with colleagues far and near to congratulate you on your many years of scientific productivity and stimulus to the whole community of physics. Keep well! And accept warm good wishes.

Sincerely,

John Archibald Wheeler  
Ashbel Smith Professor and  
Blumberg Professor of Physics
