28 March 1989

Dear Prof. Schemberg

We are very happy to invite you to attend the Third General Conference of the TWAS which will be held in Bogotá, Colombia, during the period 16 - 20 October 1989 in conjunction with the Fourth General Meeting of the Academy.

The Third General Conference will be hosted and organized by the Colombian Academy of Exact, Physical and Natural Sciences, in collaboration with the Academies and other scientific institutions in Latin America. President Barco of Colombia has kindly agreed to inaugurate the meeting.

The Colombian Academy of Exact, Physical and Natural Sciences, with the help of the Government of Colombia, has kindly agreed to offer you hospitality during your stay in Bogotá. In addition the Third World Academy of Sciences will be able to provide partial travel support to those participants from the Third World who find great difficulty in obtaining full travel support from their institutions.

As on the occasion of the TWAS Second General Conference, we are expecting a large number of participants including Ministers of Science and Technology and Higher Education, Presidents and Chairpersons of Science Academies and Research Councils from developing and advanced countries and representatives of various international governmental and non-governmental organizations.

I am happy to enclose a Circular which gives detailed information about the meeting including a Tentative Programme of the Conference. It would be greatly appreciated if you could kindly complete the attached Registration and other relevant forms and return them to the appropriate Offices **no later than 1 June 1989**.

We very much hope that you will be able to attend the Conference and we look forward to receiving your reply.

With kindest regards,

Yours sincerely,

Mohamed H.A. Hassan
Executive Secretary

Prof. Mario Schemberg
